WHAT IS DISPATCHHEALTH?

DISPATCHHEALTH BRINGS COMFORTABLE HEALTHCARE TO YOUR HOME.

DispatchHealth is a healthcare delivery service designed to reduce ER visits for non-emergencies and ensure patients with acute healthcare needs get the care they need in a timely manner so they can return to primary care supervision quickly and conveniently.

HOW PROVIDERS PARTNER WITH DISPATCHHEALTH

1 REFER A PATIENT BY REQUESTING CARE

Request care for a patient by calling 253-271-9720. You can call after hours, on weekends and during holidays. DispatchHealth is available from 8 am - 10 pm, 7 days a week, every day of the year including holidays.

2 LET DISPATCHHEALTH EXTEND YOUR PATIENT CARE

A board-certified physician assistant or nurse practitioner and medical technician will arrive at your patients' homes within a few hours in a branded vehicle equipped with the ability to diagnose and treat complex medical conditions and navigate challenging social environments.

3 DISPATCHHEALTH WILL FOLLOW UP WITH YOUR TEAM

DispatchHealth fully documents your patients' visits and sends clinical documentation back to you. DispatchHealth bills insurance directly for the care provided and will fax you detailed clinical notes once the patient visit is complete. Additionally, DispatchHealth follows up with every patient within three days and refers back to you for additional care as needed.

DISPATCHHEALTH IS CONTRACTED WITH MAJOR HEALTH INSURANCE COMPANIES INCLUDING MEDICARE AND MEDICAID.
